Herr Sambach again
You distut ask me to let you know
I arrived safely & like your
big room is lovely and when
I get the pictures up will feel
certainly be very lovely. About
9.30 last night I went upstairs
put on my Kimona and
came down & sat on side piazza
talking to Mrs Cushman Cousin
Alice & Addie in most com-
fortable fashion. I found a
letter from the Ocean View
that they could give me
a room. Am going to write
to it when to-day to come Mon-
day. I was glad to take the
time to go upstairs at 8 o'clock to
get 8 yards of cretonne, was
surprised to find how little
time I had after leaving you
did you notice it that I
am parasol absent minded
